Dear AGS 2012:

Can you believe that four weeks can pass by so quickly? It seems as if it was just a short time ago when we were moving into residence halls, checking out the campus, and meeting new friends. But, alas, just as there are beginnings, there are also endings.

However, even though classes and events and activities of AGS are ending, let the AGS spirit carry on throughout your life. You've learned to look at the world with new lenses, so continue to be critical thinkers, continue to learn more about yourself and our world, and continue to share your ideas and thoughts with each other. Build those strong networks of friends which will help ensure success in everything that you do.

Don't worry so much about things like the scores of softball or basketball games between faculty/staff and students! Rather, focus your efforts into growing, leading, and making this world a better place for all of us. May your future be bright as you accept the challenge!

God bless you,  
Lyle

# Area I

## Academics and The Arts

The curriculum in Area I embraces instruction in the artistic disciplines of Choral Music, Drama, Instrumental Music, and Visual Arts, as well as instruction in the disciplines of English/Language Arts, Natural Science, Mathematics, and Social Science.

Emphasis in Area I is placed on participatory learning experiences which expose students to the complex and critical systems that undergird the various fields of study. To this end, students examine new, challenging, and often-revolutionary theories, techniques, and works, all designed to challenge them to develop a critical stance based on careful scrutiny of ideas and developments within their areas of interest. Stacy Key is the Area I Academics Coordinator, and Tom McDonald is the Area I Arts Coordinator.

In striving to increase their ability to analyze diverse perspectives on current normative issues, students gain a new appreciation for their implications. Classroom discussion then leads students to progress toward deeper levels of intellectual reflection, which enhances their ability to become better thinkers. Mark Elrod is the Area II Coordinator.

## Special Thanks

Arkansas Governor's School would like to thank the following people for their generosity: Natural State Brass Band, Mary Ruth Marotte and the Arkansas Shakespeare Theater, Greenbrier Public Schools Transportation, International Paper, Conway Printing, Kelly Attaway, Lenard Cockman and all of the wonderful guests and speakers.

Jordan Kennedy would like to thank the following people for all of their help and support: all of Area V for keeping me sane and making me laugh...you all are amazing! To the faculty and staff who let me interrupt your classrooms and capture moments of your teaching, thank you so much. And to the students of AGS, you all make this yearbook possible! I hope the memories stay with you for a long time through this book.
