Dear AGS 2015:

As we look back on the past six weeks, we can be satisfied with the excellent experience we all shared at AGS 2015. Although we are sad to see it end, we'll take with us great memories, valuable friendships, and a new awareness of our abilities and responsibilities. Keep honing your critical thinking skills; keep reading, analyzing, and sharing; keep developing yourself; and keep working to improve the world around you. As you become leaders of our communities in the future, these skills will take you far.

The state of Arkansas has bestowed upon you a special gift to be a part of AGS 2015. Be grateful to those who helped you get here. I'm positive this investment in you will return a multitude of benefits to us all.

I hope you have a great senior year and a successful college career. Great things are ahead of you, and I look forward to hearing about all of your future accomplishments. Stay in touch!

God bless you,
Lyle Rupert

AREA I

The curriculum in Area I embraces instruction in the artistic disciplines of Choral Music, Drama, Instrumental Music, and Visual Arts, as well as instruction in the disciplines of English/Language Arts, Natural Science, Mathematics, and Social Science.

Emphasis in Area I is placed on participatory learning experiences which expose students to the complex and critical systems that undergird the various fields of study. To this end, students examine new, challenging, and often-revolutionary theories, techniques, and works, all designed to challenge them to develop a critical stance based on careful scrutiny of ideas and developments within their areas of interest. Stacy Key is the Area I Academics Coordinator, and Fred Boosey is the Area I Arts Coordinator.

AREA II

CONCEPTUAL DEVELOPMENT

L to R: Mark Elrod, Leah Hadder, Jim Rush, Lacey Thacker, Revis Edmonds, Andrea Lively, Christopher Weaver, Phillip Spivey

The Area II curriculum is designed to enhance conceptual development. Students are encouraged to learn more about how knowledge is acquired (epistemology) and to understand the various ways of knowing in different disciplines. In striving to increase their ability to analyze diverse perspectives on current normative issues, students gain a new appreciation for their implications. Classroom discussions then lead students to progress toward deeper levels of intellectual reflection, which enhances their ability to become better thinkers. Mark Elrod is the Area II Coordinator.

AREA III

PERSONAL AND SOCIAL DEVELOPMENT

Top row (L to R) : Richard Gobble, Phillip Melton (coordinator), Elizabeth Martin

Middle row (L to R): Debbie Hibbs, Spencer Sutterfield, Kelly Taylor

Bottom Row (L to R): Chad Terrell, Fred Boosey

Area III is designed to foster the personal and social development necessary for the students to benefit fully from Area I and Area II classes and the cultural and social events of the AGS program. The Area III curriculum provides an opportunity for the students to see the importance of taking personal responsibility for one's own ideas and for one's participation in a democratic society. Area III provides students a forum for actively exploring civic responsibility; it seeks to inspire a student's understanding of his or her own personal potential and to impress upon the student the values of character leadership, integrity, insight, and compassion, not only within their own communities, but also within society at large. Within this framework, students explore curricular issues such as theories of intelligence, conflict and stress management, psychological and personal theory, goal setting, and community service.

AUTOGRAPHS

Thank you for the chance
to problem solve, be creative &
be part of an incredible
staff. This has been an am
azing summer and I'm so thankful for
this opportunity. You've done
things that I can't describe
and you've given me an
experience I'll never
forget.
- Anna

This has been probably one
of the best jobs I will have.
I was super fun and everyone
in the office was amazing.
I'll miss it all to you and I'll
feel honored to have had the
opportunity to work with you.
I'll miss you with all of my
heart and everything I'll
miss to see you around!
- Anna

Thanks for making
me work at AIS for
the summer. I had a
great time and I'll miss
you all. I was so lucky
to have you all. I'll miss
you all. I'll miss you all.
- Anna
